

MARY WARD'S 27th ANNUAL WINTER ACTIVITY DAY

On February 3rd , you could ...

Carve snow around a carotenoid-wearing Coburn...

Pursue a perilous path with pontificating Patel...

Shift in into high gear against a skedaddling Saran...

Triple Lutz to a Tchaikovsky for jaunty judge Jatiouk...

Jig on a frozen lake with a landlubbing Loconte...

Or.....

Bend it like Bailey!

Get out, have fun and laugh with your friends! Celebrate!
